# ABOUT US

Mr. Majid Mokhtar Sasani - Managing Director and Chairman

Mrs. Samira Abdollahzadeh - Vice Chairman of the Board

## Chairman's Message

In 2001, riding on the business acumen of the leadership team of the firm, backed by the strength and dynamism of the Iran economy and with complete confidence in its founding members and its workforce.

We extend heartfelt thanks to our clients for giving us the opportunity to undertake their projects and for having such confidence in AIDAMIR co.

Last, but by no means least, a warm word of thanks to our own employees: the foundation and pillars of our success, who have shown care and responsibility at every turn and who have enabled us to become, in the space of a few years, one of the leading construction firm in the region.

Majid Mokhtar Sasani

Managing Director and Chairman

# ABOUT US

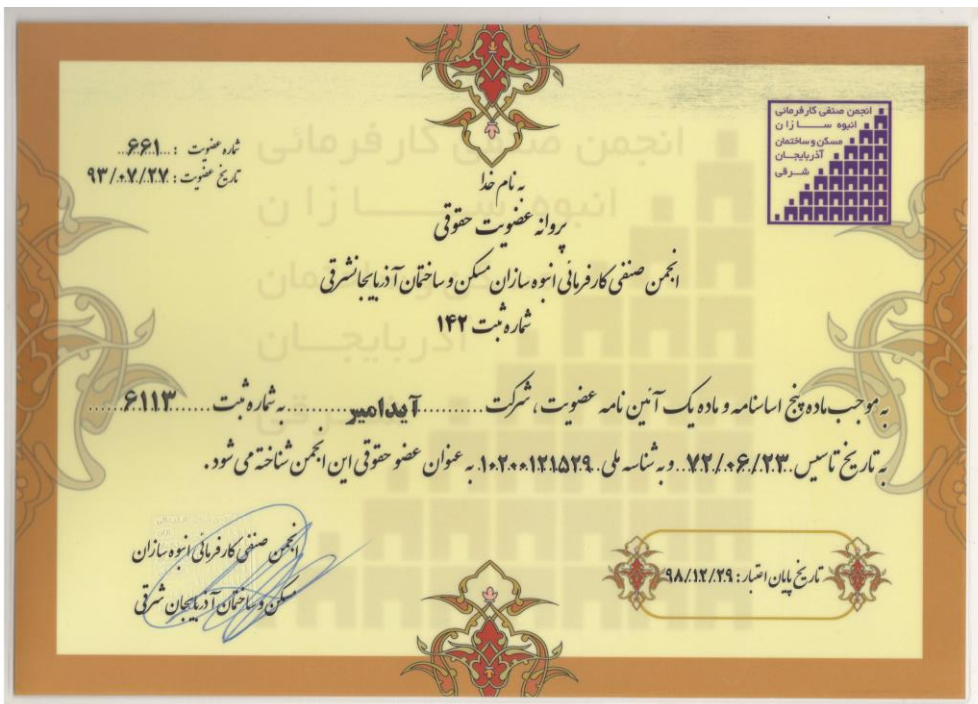

## Vision

Our vision is to be a prominent and leading construction firm in the region specializing in all engineering disciplines that offer extraordinary development both locally and in the international community.

## Mission

Our mission is to maintain long term feasible business operations and to successfully complete projects ensuring timely completion and quality standards

## Licenses

# CAPABILITIES

## Resources

AIDAMIR co. employs up to 500 employees that includes hundreds of professional engineers and thousands of skilled technicians with expertise in various trades. Our employees work together to deliver quality construction projects.

Our resources include several large fully-equipped facilities with own plant, machineries, tools and equipment including a large fleet of heavy and light vehicles, tower cranes, excavators, dozers, loaders, rock trucks, haul trucks and trailers, drills and various other pieces of equipment which give AIDAMIR co. the capability to carry out a wide spectrum of heavy construction works.

## Strength

AIDAMIR co. is capable of delivering large scale projects of various engineering disciplines and capable of delivering projects in different sectors such as:

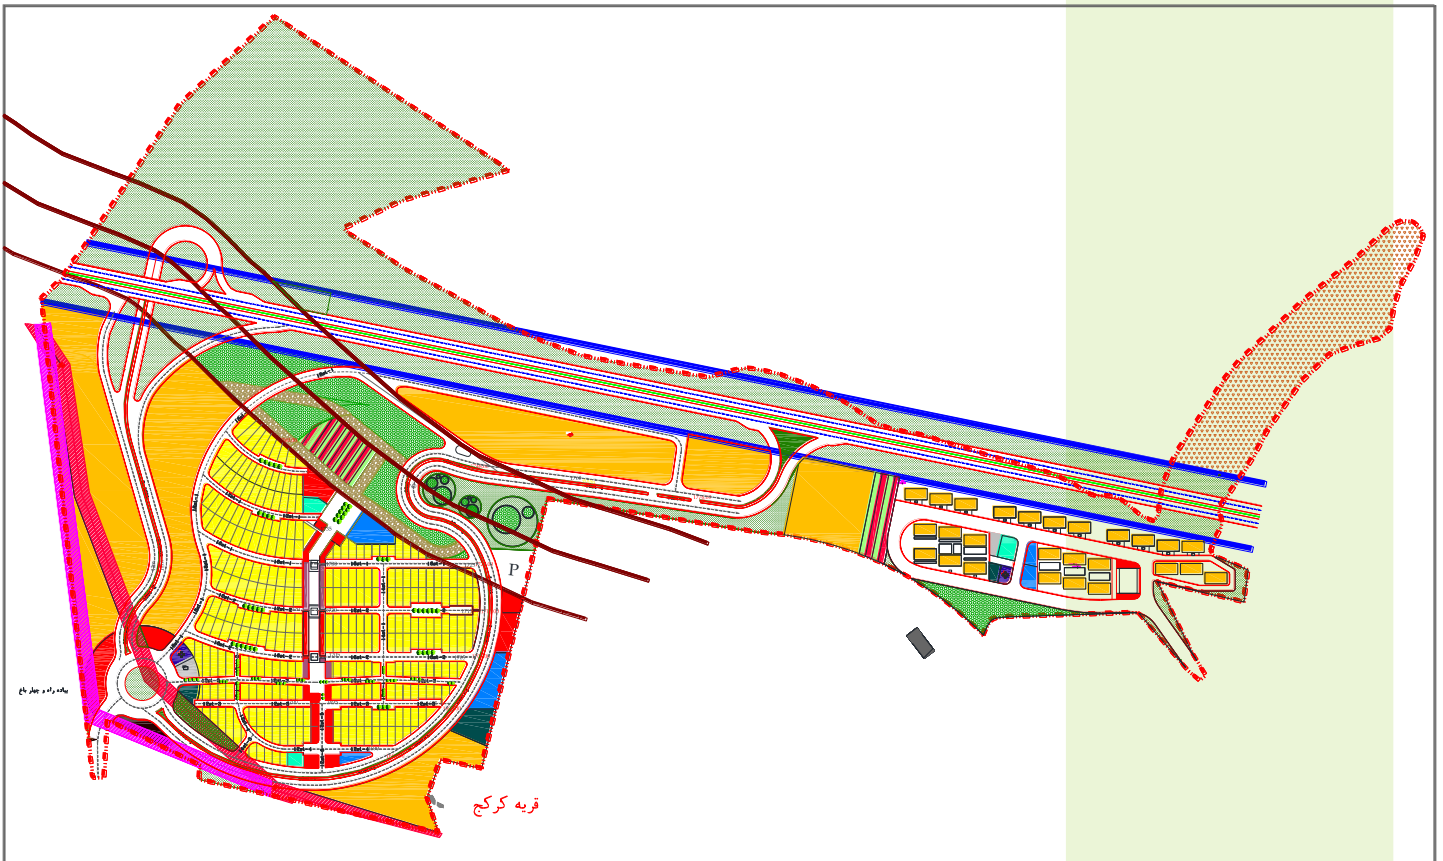

- High rise buildings
- Hotels and resorts
- Residential (apartments)
- Commercial (offices)
- Villas and Townhouses
- Cultural centers and conference halls
- Warehouse and construction factories
- Academic building such as schools & universities
- Interiors
- Infrastructure
